

“KNOWLEDGE”

**THE “HUMAN” AND “KNOWLEDGE” ARE SEPARATE AND DISTINCT.
ONE TANGIBLE, ONE NOT.**

**ERGO, ANY IDEA OR CLAIM OF
THE “FALLIBILITY OF HUMAN KNOWLEDGE” IS AN OXYMORON ON ITS FACE.
ALL THAT FLOWS FROM IT IS “FRUIT FROM THE POISONOUS TREE”.**

**KNOWLEDGE EXISTS IN ITS OWN RIGHT NOTWITHSTANDING ANY HUMAN.
THERE ARE DEGREES, DEPTHS AND VALUES OF KNOWLEDGE.**

**A PARTICULAR KNOWLEDGE THAT IN ALL OF ITS ELEMENTS ARE TRUE,
EXISTS REGARDLESS OF ANY OTHER MATTER MUCH LESS HUMAN.**

THE HUMAN IS FALLIBLE, KNOWLEDGE IS NOT.

KNOWLEDGE EITHER EXISTS, OR IT DOES NOT.

**RANDOMNESS IS A FALLACY BASED ON LACK OF KNOWLEDGE, NOT REALITY.
THE RANDOMNESS THAT EXISTS IS IN THE PARTICULAR KNOWLEDGE POSSESSED BY
THE HUMAN, NOT “KNOWLEDGE” ITSELF.**

**THUS THE PATENT FALLACY OF THE VARIOUS WRITINGS, BOOKS AND IDEAS
PROFFERED AS EXPOSITIONS OF “HUMAN KNOWLEDGE”.**

IGNORANCE ALWAYS MASQUERADES IN THE PREMISE OF LACK OF EXISTENCE.

**THOUGH ALL IS CONNECTED, NOT RANDOM AT ALL, ONLY A FEW HAVE A
DISCERNABLE IMPACT, SERVING AS “INFLECTION” OF THE CONNECTIVITY.**

**IN WORLD MARKETS, THE CONNECTIVITY OF EVENTS IS REPRESENTED IN THE
INSTRUMENTS OF THE DAY, WHICH HAVE AND WILL ALWAYS HAVE
CRITICAL INFLECTION POINTS OF WHICH ONLY A FEW MATTER.**

SUCH KNOWLEDGE DOES EXIST AND CAN BE DISCERNED BY HUMAN.
